OPERATING REPORT 30 JUNE 2015

In accordance with section 254 of the Fair Work (Registered Organisations) Act 2009, your Committee of Management present their report on the Union for the financial year ended 30 June 2015.

Principal activities

The principal activities of United Firefighters Union of Australia during the financial year were to represent professional fire fighters and their safety.

No significant change in the nature of these activities occurred during the year.

Operating result

The operating surplus of the Union for the financial year amounted to \$97,984 (2014: \$14,177). No provision for tax was necessary as the reporting unit is exempt from income tax.

Significant changes in state of affairs

No significant changes in the Unions' state of affairs occurred during the financial year.

The dispute with one of the state branches, as reported in previous financial reports, remains unresolved. Legal proceeding ceased during the 2012 financial year and no further action has been undertaken by the Union during the 2015 financial year regarding this matter.

Outstanding dues owing from the branch continue to be fully provided for.

After balance day events

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Union, the results of those operations or the state of affairs of the Union in future financial years.

Rights of members

Subject to the rules of the organisation and Sec 174 of the Fair Work (Registered Organisations) Act 2009, members have the right to resign from membership of the organisations by written notice addressed to and delivered to the secretary of the organisations.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF UNITED FIREFIGHTERS UNION OF AUSTRALIA

We have audited the financial report of United Firefighters Union of Australia, which comprises the statement of financial position as at 30 June 2015, the statement of comprehensive income, statement of changes in members equity and cash flow statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the committee of management certificate.

Committee of management's responsibility for the financial report

The committee of management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009, and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Union's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Union's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee of management, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional ethical pronouncements.

Declaration

We are an approved auditor for the purposes of the Fair Work (Registered Organisations) Act 2009. We are also a member of the Institute of Chartered Accountants in Australia and hold a current Certificate of Public Practice.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF UNITED FIREFIGHTERS' UNION OF AUSTRALIA

Auditor's opinion

In our opinion the financial report presents fairly, in all material respects, the financial position of United Firefighters Union of Australia as at 30 June 2015, and its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards and Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009. We have also concluded that, as part of the audit of the financial report, management's use of the going concern basis of accounting in the preparation of the financial report is fair and appropriate.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

Note 1 -Significant accounting policies

Statement of compliance

These accounts are the accounts of the national body of the United Firefighters Union of Australia. They do not include the accounts of each of the branches of the Union which are constituted under its rules and in accordance with the provisions of Section 271 of the Fair Work (Registered Organisations) Act 2009.

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the Fair Work (Registered Organisation) Act 2009. For the purpose of preparing the general purpose financial statements, the United Firefighters Union of Australia is a not-for-profit entity.

Basis of preparation

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities at measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

The following significant accounting policies have been adopted in the preparation and presentation of the financial report:

(a) Comparative amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year

(b) Employee benefits

Provision is made for the Union's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries and annual leave which will be settled after one year have been measured at their nominal amount.

Other long-term employee benefits are measured as the present value of the estimated future cash outflows to be made by the Union in respect of services provided by employees up to reporting date.

Contributions are made by the Union to an employee superannuation fund and are charged as expenses when incurred.

(c) Provisions

Provisions are recognised when the Union has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

Note 1 - Significant accounting policies (continued)

(d) Plant and equipment

Office furniture, equipment, software and leasehold improvements are stated at cost less accumulated depreciation and accumulated impairment losses. Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The depreciation rates used for each class of depreciable assets are:

Plant and equipment 15 – 67%
Computer software 40%
Leasehold improvements 2.5%

An item of plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit and loss.

All plant and equipment is assessed for impairment at the end of each reporting period to the extent that there is an impairment trigger. Where indications of impairment exist, the asset's recoverable amount is estimated and an impairment adjustment made if the asset's recoverable amount is less than its carrying amount.

The recoverable amount of an asset is the higher of its fair value less costs of disposal and its value in use. Value in use is the present value of the future cash flows expected to be derived from the asset. Where the future economic benefit of an asset is not primarily dependent on the asset's ability to generate future cash flows, and the asset would be replaced if the Union were deprived of the asset, its value in use is taken to be its depreciated replacement cost.

(e) Income tax

No provision for income tax is necessary as Trade Unions are exempt bodies under Division 50-15 of the Income Tax Assessment Act 1997.

(f) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

(g) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of GST, except where the amount of GST incurred is not recoverable from the tax authority. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

Note 1 - Significant accounting policies (continued)

(h) Revenue

Revenue is measured at the fair value of the consideration received or receivable. In accordance with generally accepted accounting principles for such organisations, branch contributions are accounted for on an accrual basis.

Interest revenue is recognised on an accruals basis using the effective interest method.

(i) Financial assets

Financial assets are classified into the following specified categories: held-to-maturity investments, and loans and receivables. The classification depends on the nature and purpose of the financial assets and is determined at the time of initial recognition. All regular way purchases or sales of financial assets are recognised and derecognised upon trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Held-to-maturity investments

Financial assets with fixed or determinable payments and fixed maturity dates that the Union has the positive intent and ability to hold to maturity are classified as held-to-maturity investments. Held-to-maturity investments are measured at amortised cost using the effective interest method less any impairment.

Loan and receivables

Trade receivables, loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method less impairment. Interest is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset, or, when appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest rate basis except for debt instruments other than those financial assets that are recognised at fair value through profit or loss.

Derecognition of financial assets

The Union derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The difference between the assets carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

Note 1 - Significant accounting policies (continued)

(j) Impairment of financial assets

Financial assets are assessed for indicators of impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

For financial assets carried at amortised cost, the amount of the impairment loss recognised is the difference between the assets carrying amount and the present value of future cash flows, discounted at the financial asset's original effective interest rate.

(k) Financial liabilities

Financial liabilities, including borrowings and trade and other payables, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

The Union derecognises financial liabilities when, and only when, the Union's obligations are discharged, cancelled or they expire. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

(I) Leases

Operating lease payment are expensed on a straight-line basis which is representative of the pattern of benefits derived from the leased assets.

(m) Contingent liabilities and contingent assets

Contingent liabilities and contingent assets are not recognised in the Statement of Financial Position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

Note 2 - Application of new and revised Accounting Standards

The following new and revised Standards and Interpretations have been adopted in the current year and have not affected the amounts reported in these financial statements.

Standard

Impact on presentation and disclosure

AASB 2013-3 'Amendments to AASB 136 – Recoverable Amount Disclosures of Non-Financial Assets' Requires entities to disclose additional information about the fair value measurement when the recoverable amount of impaired assets is based on fair value less costs of disposal, as well as disclose the discount rates that have been used in the current and previous measurements if the recoverable amount of impaired assets based on fair value less costs of disposal was measured using a present value technique.

AASB 2012-3 'Amendments to Australian Accounting Standards – Offsetting Financial Assets and Financial Liabilities' This Standard adds application guidance to AASB 132 to address inconsistencies identified in applying some of the offsetting criteria of AASB 132, including clarifying the meaning of "currently has a legally enforceable right of set-off" and that some gross settlement systems may be considered equivalent to net settlement.

There are no new and revised Standards and Interpretations adopted in these financial statements affecting the reporting results or financial position.

(d) Liquidity risk

Liquidity risk arises from the possibility that the Union might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities.

The Union manages risk through the following mechanisms:

- Comparing the maturity profile of financial liabilities with the realisation profile of financial assets;
- Managing credit risk related to financial assets;
- Maintaining a reputable credit risk profile; and
- Monitoring undrawn credit facilities.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

Note 14 - Commitments and contingencies

The dispute between the National Office and a State Branch remains unresolved at the date of signing the committee report despite cessation of legal proceedings during the 2012 financial year. Membership dues owing from that Branch are in dispute and remain unpaid at year end. These amounts were fully provided for as at 30 June 2015 and will continue to be provided for until the dispute is resolved.

United Firefighters Union of Australia rents office space from the United Firefighters Union - Victorian Branch. Under the current arrangement the space is leased to the Victorian Branch on a month by month basis with rent payable one month in advance. On the basis the arrangement may be ended at any stage it has not been treated as an on-going commitment for disclosure purposes.

Note 15 - After balance date events

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Union, the results of those operations or the state of affairs of the union in future financial years.

The on-going dispute with one of the state branches, as disclosed in Note 14, remains unchanged after balance date up to the date of signing of this report.

Note 16 - Notice required under the Fair Work (Registered Organisations) Act 2009:

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009 the attention of members is drawn to the provisions of subsections (1), (2) and (3) of Section 272, which read as follows:

Information to be provided to members or the General Manager:

- (1) A member of a reporting unit, or the General Manager, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).
